Dear Jack:

It was good to hear from you after so many years and to get a run-down on your busy life since we served on The Record together.

I am glad to be able to tell you that we do know General Martin and he has already been invited to the Agency for a briefing and lunch. Thank you for calling him to my attention.

If you ever get up into this part of the world, please give me some warning and we can have a bite of lunch together.

Cordially,

/s/ Richard Helms
